Subject: Rochman Shrink Wrapping Machines

---

Dear Glyn

I would like to express my thanks to Yorkshire Packaging Systems and Rochman for the supply of two Rochman Shrink Wrapping machines. In particular the rapid response to our needs and the greatly reduced lead times to suit our production requirements.

I am very impressed with both machines; along with the back up, service and support provide during and after the installation of these machines. These machines are crucial in meeting the demands of our customers and the success of this has been helped by your expertise and customer service.

I would have no hesitation in recommending Yorkshire Packing Systems and Rochman Shrink Wrappers to any company considering purchasing such equipment in the future.

Yours Sincerely

**Simon Wood**
