Dear David,

Thank you for supplying our second Rochman Shrinkwrapping machine in a space of six months from the first machine being delivered.

I am extremely happy with both machines as they are reliable and the back up service is the best I have had for a very long time. I have recommended your company to our customers and would not hesitate to place an order for the third machine as and when a need arises, hopefully in the very near future.

Please thank all your staff for their efforts.

Yours sincerely,

Jas Panesar
(Operations Director)
