

**NEW APPLICATIONS WITH THE AUTOMATIC SIDE SEALER
SMAF from ROCHMAN**

The National Prawn Company of Saudi Arabia, is the largest fully integrated desert aquaculture operation in the world and a global leader in environmentally friendly shrimp farming, currently producing around 15,000t per annum of exceptional ‘Penaeus Indicus’.

Situated on and fed by the pristine waters of the spectacular Red Sea, 200 kms south of Jeddah, more than US\$350m was spent on the initial construction of the farm which boasts absolute leading edge technologies, sustainability and food standards. Proudly employing over 3000 people, NPC’s entire farming operation is totally self sufficient in every facet.

In cooperation with our Saudi agents and distributors, **Arcoma** , NPC counts with several Rochman machines, all in stainless steel, among them **SLAUX + TRX** to wrap cardboard boxes containing frozen shrimps and sleeve wrappers **SVAX and SVALX** to wrap and give protection to their master boxes, destined to their warehouses.

The increasing production led NPC to reinforce their packaging lines with **3 lines of SMAFX 4020 + TRX 45x150 H250**. Being the relative humidity over 85%, motors and electric boxes of the machine were IP 56 protected. The main electric box was equipped with heating resistance. The in feed and out feed belts of the Smaf were given anti-slippery treatments, the mould was Teflon coated and equipped with an air blow device to allow the best flow of the film.

Being the relative humidity over 85%, motors and electric boxes of the machine were IP 56 protected. The main electric box was equipped with heating resistance. The in feed and out feed belts of the Smaf were given anti-slippery treatments, the mould was Teflon coated and equipped with an air blow device to allow the best flow of the film.

The SMAFX wraps NPC boxes of frozen shrimps at the speed of 35 packs / minute.

TOTAL LUBRICANTS Middle East is part of TOTAL, the fourth largest oil company and the fourth largest corporation in France. Based in **Dubai (United Arab Emirates)**, TOTAL's lubricants operation spans the entire Middle East and Central Asian territories.

The company is involved in the manufacturing and marketing of Automotive, Industrial, Marine lubricants and speciality products.

At the site in Dubai's Jebel Ali free port, Rochman has equipped Total with the cooperation of our distributors **Europack** with our **SMAF 4020 and Shrink tunnel** to wrap their plastic **oil / lubricant cans**. The product is wrapped in polyolefin, which gives consistency, nice presentation and avoid re-felling and adulteration of the contents during the distribution process.

EGGS AGUSTIN ROIG

Agustín Roig S.A. lays in the river Ebro banks in the province of **Tarragona, Spain**. Formed in 1970 is dedicated to the production and trade of eggs. With their own production and farms, hens are grown under stricted control of their feeding and selection, taking maximum care of the habitat and sanitary control.

Rochman has provided Agustín Roig S.A. with **TWO** machines **SMAF 40X20** and **tunnels** for wrapping **the egg trays** in polyolefin.

AUTOMATIC L SEALER Model ROCHMAN SLAU + SHRINK TUNNEL

Formed in 1928, **L.G. Harris** is one of the world's largest and best known manufacturers of paint brushes and decorating equipment.

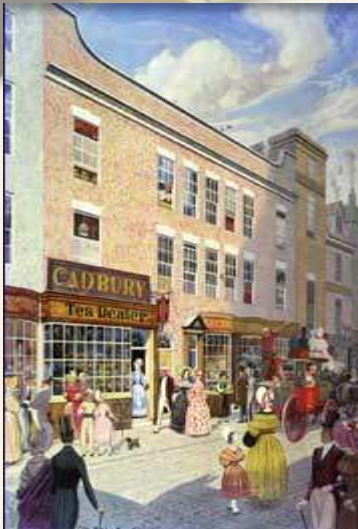

With a range consisting of more than one thousand products and a majority market share, the Bromsgrove based company is well established as the UK market and brand leader for decorating equipment.

Harris' reputation for quality and excellence has made a household name.

Turnover has tripled in the last decade, with the internationally renowned business exporting products worldwide to countries including Germany, Japan and Dubai.

LG Harris has purchased from our distributors in Britain, Yorkshire Packaging Systems a full line consisting on an automatic "L" sealer model **Rochman SLAU 50X50** equipped with **pneumatic hole punch**, **invertors** and **pack counter** along with **shrink tunnel TR 45X90 H220** to wrap their **paint roller trays** in polyolefin.

From a one man business in 1824, starting in Birmingham, England, **CADBURY** has grown to be one of the world's largest producers of chocolate.

Cadbury now has factories all over the world: Australia, New Zealand, Canada, Malaysia, India, Indonesia, Japan and several countries in Africa.

In Europe subsidiary companies included Hueso in Spain, Poulain and Bouquet D'Or in France, De Faam and Frisia in Holland, Piasten in Germany.

YPS supplied to the chocolate manufacturer **CADBURY TREBOR BASSET** site in **Sheffield, England**, the Rochman **SLAU 50X50** equipped with **pneumatic hole punch, invertors and pack counter** along with **shrink tunnel TR 45X90 H220** to wrap their packs of chocolates.

The Company

The Lakes Free Range Egg Co Ltd leads the industry in its approach to egg supply. They produce and pack only free range and organic free range eggs, from their family owned and run company deep in the heart of Cumbria and The English Lake District.

This is done from facilities that are some of the most modern in the country, yet retain the close-knit local family connections that pervade The Company.

Yorkshire Packaging Systems have provided them with **Rochman SLAU 50X50** equipped with **pneumatic hole punch, invertors and pack counter** along with **shrink tunnel TR 45X90 H220** and out feed roller conveyor to wrap their **egg trays**.

AUTOMATIC SLEEVE WRAPPER IN – LINE model ROCHMAN EPB PC with CARDBOARD PAD FEEDER.

LEGUMBRES PENELAS is a 4th generation family run company, fully dedicated to the selection, packaging and canning of legumes.

Placed in Veguellina de Orbigo (León), the heart of **Spain's** largest producing area of beans, and with the experience of decades in the process and selection on the field of legumes, they offer the most selected product to the market.

Legumes Penelas has trusted in Rochman to provide them with the **automatic in-line sleeve wrapper** model **EPB-PC**, which incorporates **AUTOMATIC CARBOARD PAD FEEDER**, working at **18 cycles / minute** with **TRB 65X150**. The machine forms the pack and feed automatically the cardboard pad, providing a consistent package of their jars and cans of beans, chickpeas and lentils.

On the other hand our customer **PROALIMENT JESUS NAVARRO**, from **Alicante (Spain)**, which counts with several Rochman lines of automatic sleeve wrapping machines, has bought from us the sleeve wrapper **EPB 70 with DOUBLE INFEEED LINE** and **TUNNEL** which provides them with a production of **28 cycles / minute** for their packs of jars of spices.

AUTOMATIC SLEEVE WRAPPERS SVA with COLLATION and TIERING

Formed in 1824, the French company **BRODARD & TAUPIN** is specialized in the impression and binding of books.

In 1998, BRODARD & TAUPIN became part of the **GROUP CPI**, european leader manufacturer of books, with 17 production sites and more than one million books produced daily.

At BRODARD & TAUPIN, 60 million books come yearly out of their press machines, from pocket books to A4 format.

Our sister company **ROCHMAN FRANCE** has supplied and installed two lines of automatic sleeve wrapping machines model **SVA 70X25** with **roller table** and **“comb” type pushers**, to wrap their packs of books in two and four piles, at 15 strokes / minute.

In Casablanca, **Morocco**, with the cooperation of our representatives **INDUSAC** we have installed at **CAFES DU BRESIL** the **SVA GT 90X35** with shrink tunnel **TR 80X100 (H400)** to pack their packs of coffee.

ROCHMAN CONTINUES EXPANSION IN THE SECURITY SECTOR AND DISTRIBUTION OF VALUABLES.

The origins of **LOOMIS** date back to 1852, to those exciting days when Pony Express riders helped build the American west, as well as the Alaska Gold Rush era, when armed mushers endured danger and hardship to provide safe transport into and out of the mines. The founding fathers of our predecessor companies met and tamed the challenges of their respective frontiers.

You may be familiar with some of the famous names from our history: Buffalo Bill Cody, Wyatt Earp, Wild Bill Hickok, Bret Harte and of course Lee Loomis, William Fargo and Henry Wells. We are very proud of our heritage, but we are even more excited about our present and future

Today Loomis is a multinational Swedish company offering products and services that provide complete cash logistics solutions for financial institutions, retailers and other commercial enterprises. Loomis is present in ten European countries : Austria, Denmark, Finland, France (under the name Securitas), Norway (Securitas), Portugal, Spain (Securitas), Sweden, Switzerland, UK, and in the USA and has approximately 20,000 employees. Loomis is the cash handling services division of Securitas, a world leader in security.

ROCHMAN continuing with the expansion started some time ago with companies such as PROSEGUR , BLINDADOS and BRINKS, has supplied **LOOMIS SPAIN (SECURITAS)** with **6 LINES** of the automatic compact sleeve wrapper model **CSV 40 + TR 35X90** to wrap the coin cylinders.
