Dear Glyn

First, I would like to thank you and your team for the excellent service and support we have received.

Your equipment has once again proven itself to be extremely reliable and has performed well 24 hours per day.

This is the second year that YPS have supported us through our busy period and the level of service and commitment continues to be of the highest standard and I look forward to working with you again in 2011

Yours sincerely

Nev Blacker
